Presentation Day

Monday 17th December – Year 6 Farewell

Save the date! PRESENTATION DAY

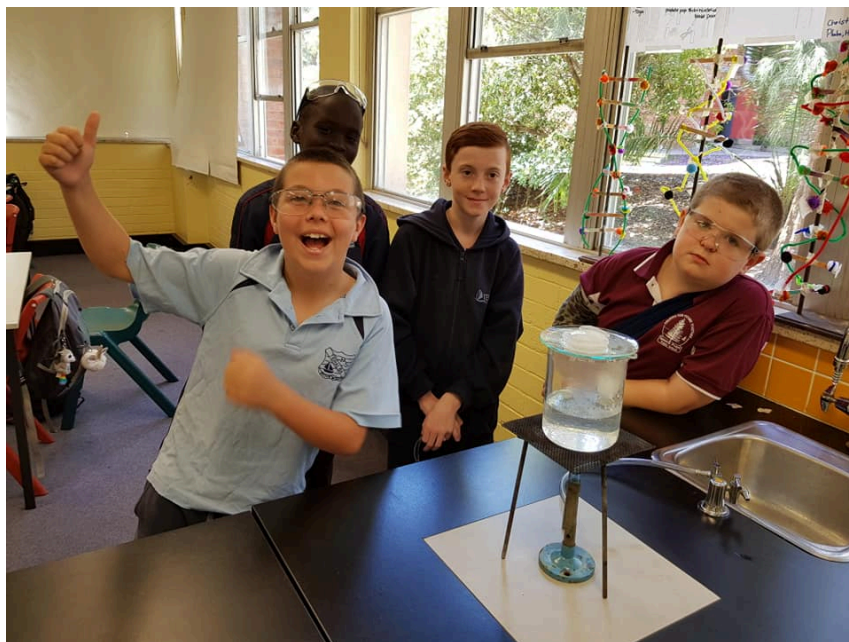

Wednesday 12th Dec 2018
Club Macquarie @ 10am

KINDERGARTEN 2019 ORIENTATION

As we see our senior student's transition into High School we see our next group of students visiting our school, getting ready for Kindergarten in 2019. Mrs Perrett has reported an excellent first 2 sessions and looks forward to the traditional 'Teddy Bears Picnic' next week. A big thanks goes out to Mrs Cleaver and the canteen staff for opening the canteen today for the Kindergarten 2019 students.

HEADSTART

What a week our Year 5 and 6 students have had. As most of you are aware our senior students, along with the senior students from our partner primary schools in LMAC have been at Lake Macquarie High School for the annual 'Headstart' program. This program is a unique high school transition program where students get to sample for two weeks life as a high school student. The program has seen huge success in the transition from primary to high school with all local schools reporting positive feedback from staff and students. Last week our students were involved in science, drama, PE, computer and cooking lessons as well as the usual maths and English lessons. Mr Toole has also reported how well our students are doing and how proud he is of their attitudes to learning and trying new things. Great Job.

BEE TALK

Last week Toby from Bee Aware visited 1-2-3 M to share his knowledge and expertise in bees. This talk was in preparation for Teralba Public Schools introduction of a small bee hive at the school. The bee hive will be made of thousands of native **stingless** bees. Unlike the traditional European Bee, the native bee does not have a stinger yet still performs the vital work of pollinating the many plants we have around the school.

KIWANIS TERRIFIC KID AWARD

At assembly on Friday, Kiwanis presented Maxwell Griffin with the October Terrific Kids Award.

HEADLICE

Can we please check our childrens' hair for headlice and treat accordingly.

SWIM SCHOOL

This program will run from 26th November to the 7th December 2018. Final payment of \$75 is due by 20th November.

CHILDRENS UNIVERSITY

Tonight Evelyn and Lola will be graduating from Children's University at the University of Newcastle Callahan Campus. They will be attending a formal ceremony, dinner and disco along with hundreds of other students from surrounding schools and their families.

Children's University is a program where children seek new learning outside of the classroom and log this learning as hours in their special passport. To be eligible for graduation, Lola and Evelyn needed to log a minimum of 30 hours of learning. Some of the activities that they participated in are cheerleading, ice-skating, aerobics, dog-walking, visiting a Butterfly Centre, The Reptile Park and Oakvale Farm and being part of the Green Team and Choir.

We hope to have some more keen learners adding to our Children's University program next year.

GRANDPARENTS
fill the world
with LOVE

National Grandparents Day was on Sunday 28th October; We will be celebrating Grandparents and Grandfriends here at school on Friday 16th November from 1 – 3pm with a range of activities and a special assembly. A note will be sent home this Friday with more details.
