## From the Principal's Desk – 21 November

Last week saw our senior class attend a Try A Trade day at Kurri Kurri. All the students who attended had a great day. I heard that Caleb M.D was very good at manicuring nails and that all the boys enjoyed the flower arranging.

## End of year

As it is coming up to the end of year I want to remind students that the work they are doing is still very relevant and important. I understand that we have lots of fun and different days planned but the teachers also have the compulsory units of work still to complete. Please help your child to learn this principle of enduring to the end.

## Visiting the school

I want to remind parents that OH&S requirements dictates that when anybody comes into the school during the hours of 9:00 and 2:45 they must report to the office. Even if you are going to be dropping in for a minute it is important that you sign in at the office first.

## Hats, Mozzies and Sunscreen

As it is the hot humid time of year I would ask that parents make sure their child brings a blue school hat to wear at school. Also if children want to pack some roll on sunscreen and mosquito repellent that would be great.

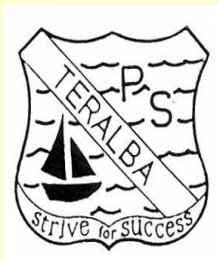

## Caught Being Good

Tahnee Griffen & Caleb Eggins were winners of the Caught Being Good award this week. Well done!

Thank you to all the parents who returned the surveys last week. They are a great help to me in getting ready for the next phase in the three year plans. I will also be holding parent forums to have a discussion on other areas that we can improve around the school. If you have not returned your surveys please do so ASAP. There is a chocolate frog for every child who returns their surveys.
