Last week I was privileged to accompany our senior students to Toronto High School to attend a careers day. Seeing the many options available to our students was very exciting. Watching our students ask many questions about the different jobs and courses also showed how mature our students are becoming.

SCHOOL SWIMMING

As this will be the last newsletter before swimming we want to remind parents of what to bring etc.

Swimming is at Speers Point Pool from November 12 and will go for two weeks. Swimming is **always** on. We will get on the bus at 11am and return at about 12:15pm. Students will have a small recess before they leave then have their lunch when we return.

Mission Statement

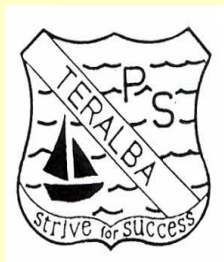

• • •

*To provide a caring
educational
environment where
children, staff and
community work
together to strive for
excellence and
equality*

Students are to wear school uniform with their swimmers **underneath** before we leave each day. Students are to pack a plastic bag for wet clothes, a jumper and **two** towels (one for the pool side and one for getting dry). They are also to pack dry underwear. Students need to have footwear for the bus (thongs can be worn), but **must** wear school shoes at school. It is suggested that students have goggles. Sunscreen will be provided by the school.

Mr Metcalf will be supervising students and teaching one of the classes.

If there are any further questions please contact the school.
