CANBERRA EXCURSION REPORT

I wish to say a huge "Well Done" to all students who attended Canberra with myself and Mrs Te Rangi a week ago. We had a fantastic trip which was made better by the joining of the other small schools in our area.

It was noted that at every meal our students always said thank you and were very appreciative of the food. At night some students stayed up late but were no trouble at all. During our long days, although difficult, our students always paid attention and I could see how much each child enjoyed themselves. Some of the places we visited included the War Memorial, Parliament House, Questacon, the National Museum and Telstra Tower.

In conclusion I wish to thank all the students and parents for their contributions during the year to fundraising. I also wish to acknowledge the Federal Government in providing the PACER funding rebate that contributed a small sum of money to each child's cost.

Mission Statement

*To provide a caring
educational
environment where
children, staff and
community work
together to strive for
excellence and
equality*

SWIM SCHOOL

We are half way through swim school and I wish to congratulate all students who have attended so far. The swim school teachers are very happy with all our students and how they are progressing in the week.

REMEMBRANCE DAY

Thank you to Cassie and Hayley who represented Teralba Public School at the Speers Point Remembrance Day ceremony last Sunday. Both girls read speeches and received positive feedback from the organisers and attendees.

OPERATION CARE

Having been inspired to help people less fortunate than themselves, year 4-5-6 have decided to make Christmas gift baskets to give to elderly neighbours and relatives. This project needs **your** help in donating items for the gift basket.

Listed below are the contents of one basket. After doing some research the students worked out that each hamper would cost around \$20 each. If you can donate 1 or all items from the list below or know of anybody that can donate please do so.

All donations are to be at the school by Presentation Day, December 13th.

CHOIR

Over the next few weeks our choir will be performing at 5 different venues.

Monday 26th November - Club Macquarie

Wednesday 5th December - Greenmount Gardens

Friday 7th December - Waterview

Monday 10th December - Glendale Shopping Centre

Friday 14th December - McIntosh Hostel

We will need parent helpers for some of these visits so if you can help please write it on the permission note when you return it.

RESPECT

One of the things we are focussing on in Bounce Back is how we talk to each other. We are teaching our older students to set a great example for our younger students. They do this by listening, and speaking calmly and respectfully. We would ask your assistance in this by speaking respectfully to our students and also to other parents.
