SCHOOL APP

Last term I was approached by a company wanting to set up an App for our school. This App will allow parents to access the school calendar, pay accounts and look at other vital information. Please let me know if this is something that you may use or not as a decision to purchase it needs to be made soon.

GO4FUN

Last week I received a letter from the Go4Fun people saying that Go4Fun will be running FREE sport and fitness based programs in Term 4. These programs are based in Toronto for students aged 7-13 who are above their healthy weight range. If you want more information please contact the office.
